

Living God in Action

Easter News Letter, Kolkata, India

January to March, 2011

“And so I have made it my aim to preach the gospel, not where Christ was named, let I should build on another man’s foundation” Romans 15:20

We are thankful to our living God that by his guidance and love we as a community of God passed one year and entered into our mission’s 24th year of birth. We are thankful & grateful to our God that He has carried us on His wings (Exodus 19:5) for past these wonderful years and we are happy to give you a brief report on what the Lord has done within this time.

A. Kolkata Love Presbyterian Church: We are happy to tell you that on March 6th we celebrated our church’s 24th birthday where Rev. H.J. Inkelaar & Rev. Dick Lagewaard delivered wonderful sermons in our Bengali & English

services and we had a grand feast (lunch) with the believers. Also at 5:30 PM we started our first Hindi Worship Service with 8 members under the leadership of Evangelist Tapas Dixit. Please pray that in the near future a Nepali & Urdu Service might be started as well by His guidance. Our new Kolkata Mission Centre/Church is under

construction. Thus far the Lord has helped us to build three stories out of five storied building we have planned for. Pray therefore to the father that He might provide the needs for it to be completed before our 25th year Silver Jubilee so that we might have the celebration in the new premises.

B. India Reformed Presbyterian Theological Seminary: The third term of 2010-11 academic year is going on where we have two visiting professors (besides our regular faculty) from Holland Rev.

Lagewaard & Inkelaar. They are teaching Romans and Exodus for three weeks till 18th March 2011. This term will close after final examination & Evangelism Explosion (from 25th – 30th March).

Our three Evangelism Explosion Summer outreach teams: Josuha - Hill, Caleb – Land, Paul – Island will leave on 2nd May for a month. Please pray for good outreach and that the Lord may send many laborers (Matt. 9:38) to our Seminary as students. And that as laborers of Christ they may collect the harvest and put it in the store house.

C. Daughter Churches: We thank God that the Lord has helped us to buy a land for the church at Pargumti and helped us to complete the

church building at Surendranagar by the support of Kwamyum church, Korea.

D. Free Mobile Medical Clinic by Boat: During this time every month we send medical teams to treat and serve in the interior Island where we have our church building and medical centre. They have treated 1280 patients during the past four months by our Eternal life boat and Salt & Light boat.
