

# EASTER LETTER 2013

## Greetings

It is my joy to write this Mission letter for 2013. By the providence of God after the celebration of 25th Anniversary of Christ Mission Ashram on 28th Feb to 4th March 2012, we had wonderful opportunity to have our one year sabbatical leave from 2nd July 2012 to the End of June 2013. We were in Seoul Korea for one and half month.

During that time Sukrit's health problem was discovered and by the guidance of the Lord and kind help of Dr.Park Jae Hyung(SNUH), I got good treatment in Seoul National Medical College Hospital. After that we came to USA on 13th August 2012 and stayed at Lynchburg, Virginia with our children Barnabas & Jemimah in the house provided by Mr. and Mrs. Jeff & Betty Harrington and a car was provided by Elder Lee Ok Jin and family needs were provided by Seo Gyung Dal and many.

We are ever grateful to our living Lord as he is a Jehovah Jere, Jehovah Rabah & Jehovah Ebenezer.

## Holy City Kolkata

God has given us an opportunity to visit India to participate Holy City Kolkata Convention which was held on 23rd-25th January 2013 where the main speaker was Rev.Dr. Chung Phil Do (Founder pastor of Suyoung Ro Presbyterian Church, Korea).

God has blessed Kolkata Pastors & Leaders in three days seminar where Dr. Chung shared the secret of how the living God blessed him to build his church with the congregation of 40 thousands & the Lord turn the city Busan to be holy.

He gave a challenge in the mega city of Kolkata (17 million populations) to have more than ten churches which might have a congregation of more than 10 thousand.

The living Lord gave a vision to Kolkata Love Church to be one of them. Please pray with us to do so.

## Pastors' & Evangelists Meeting Of CMA

During my short visit in India the Lord helped me to have a two days CMA Pastors & Evangelists meeting at Lydia Mission House from 7th & 8th February where we studied the lesson of Church Growth from Dr.Phildo and decided to make our church as self support, self propagation and self government (Nevious Methods).
